Re: Proprietary Ingredient to be used in a therapeutic good

Dear Nath

I refer to your email dated 28 April 2012 regarding your Notification of a New Proprietary Ingredient. This Proprietary Ingredient is to be used in a therapeutic good. The following proprietary ingredient is to be supplied by your company and has been entered on the Australian Register of Therapeutic Goods (ARTG).

ARTG No.	Proprietary Ingredient and Supplier
108461	Empty Hard Gelatin Capsule Size 0 Ivory Opaque Cap / Ivory Opaque Body Supplied by Sunil Healthcare Limited

This Proprietary Ingredient has not been evaluated for use in either listed or registered medicines. The role of the 'Notification of a New Proprietary Ingredient' form is simply to ensure ingredient details; quantities and other relevant information are in Australian Approved Name format and approved terminology. As such, this Proprietary Ingredient may undergo further review or evaluation when used in listed medicines or registered medicines.

Please note that it is the responsibility of the sponsor to inform TGA if the sponsor is advised by the supplier of any change in Proprietary Ingredient Name, formulation or Supplier details.

If you have any further queries, please contact me by email at TGAnames@tga.gov.au

Yours sincerely
